

Tee off with ForwardFund at our annual golf day

ForwardFund proudly invites you to become part of our fourth annual golf day, which will take place at Clovelly Country Club on Thursday 16 November 2017.

Come and show your mettle on the golf course as part of a four-ball Alliance and use the opportunity to network with other businesses and non-profit and philanthropic organisations. Even if you don't want to play the game yourself, become a sponsor of this day and benefit in various ways.

But this isn't purely a fun day – your entrance or sponsorship fee will be invested in enterprise development (ED) and socio-economic development (SED) of preapproved beneficiaries.

As a non-profit organisation (NPO) and registered fund, ForwardFund invests in organisations that aim to enhance and develop skills, encourage entrepreneurship and enterprise development, and invest in social-change

initiatives such as community development, women's empowerment and the organisational development of NPOs.

In essence, it works like this: Businesses invest their money in ForwardFund and our directors allocate the money to preapproved NPOs that use it for their preapproved business and development initiatives. You earn B-BBEE points and simultaneously help to improve the lives of many South Africans in need.

ForwardFund is committed to playing an influential role in the communities in which we operate. ForwardFund offer companies the opportunity to invest in enterprise development and socio-economic development through the contribution of funds to a number of projects.
